New drawings are required labeling figures 4 and 5 "Prior Art".

The following is an Examiner's Statement of Reasons for Allowance: Applicant's now-entered terminal disclaimer and certification that the primary reference employed is a differently-spelled-in-English version of the same inventor removed the prior art rejection previously given; otherwise, the prior art does not show as obvious the combination of claimed structure and functions of claim(s) 1 or 12, including, for example, width of rings.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lenard A. Footland, whose telephone number is (571) 272-7103.
